General information about company

Scope of work	ALL
Main Activities	ENGINEERING
Date of foundation	01/01/1970
Major shareholders	MINISTRY OF ECONOMY, PRIVATIZATION AGENCY, EMPLOYEES
Number of employees	1
Number of employees in Serbia	1
Number of employees in Vojvodina	1
Number of employees in other regions of Serbia (if applicable)	
Name of parent company (if applicable)	
Name of subsidiaries (if applicable)	
Website	Magnetton - E-Lab

Questionnaire

1.	Rotate the current bearing for axial load (yes/no)	No	No	No
2.	Rotate the current bearing for radial load (yes/no)	No	No	No
3.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
4.	Rotate the current bearing for axial load (yes/no)	No	No	No
5.	Rotate the current bearing for radial load (yes/no)	No	No	No
6.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
7.	Rotate the current bearing for axial load (yes/no)	No	No	No
8.	Rotate the current bearing for radial load (yes/no)	No	No	No
9.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
10.	Rotate the current bearing for axial load (yes/no)	No	No	No
11.	Rotate the current bearing for radial load (yes/no)	No	No	No
12.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
13.	Rotate the current bearing for axial load (yes/no)	No	No	No
14.	Rotate the current bearing for radial load (yes/no)	No	No	No
15.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
16.	Rotate the current bearing for axial load (yes/no)	No	No	No
17.	Rotate the current bearing for radial load (yes/no)	No	No	No
18.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
19.	Rotate the current bearing for axial load (yes/no)	No	No	No
20.	Rotate the current bearing for radial load (yes/no)	No	No	No
21.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
22.	Rotate the current bearing for axial load (yes/no)	No	No	No
23.	Rotate the current bearing for radial load (yes/no)	No	No	No
24.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
25.	Rotate the current bearing for axial load (yes/no)	No	No	No
26.	Rotate the current bearing for radial load (yes/no)	No	No	No
27.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
28.	Rotate the current bearing for axial load (yes/no)	No	No	No
29.	Rotate the current bearing for radial load (yes/no)	No	No	No
30.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
31.	Rotate the current bearing for axial load (yes/no)	No	No	No
32.	Rotate the current bearing for radial load (yes/no)	No	No	No
33.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
34.	Rotate the current bearing for axial load (yes/no)	No	No	No
35.	Rotate the current bearing for radial load (yes/no)	No	No	No
36.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
37.	Rotate the current bearing for axial load (yes/no)	No	No	No
38.	Rotate the current bearing for radial load (yes/no)	No	No	No
39.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
40.	Rotate the current bearing for axial load (yes/no)	No	No	No
41.	Rotate the current bearing for radial load (yes/no)	No	No	No
42.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
43.	Rotate the current bearing for axial load (yes/no)	No	No	No
44.	Rotate the current bearing for radial load (yes/no)	No	No	No
45.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
46.	Rotate the current bearing for axial load (yes/no)	No	No	No
47.	Rotate the current bearing for radial load (yes/no)	No	No	No
48.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
49.	Rotate the current bearing for axial load (yes/no)	No	No	No
50.	Rotate the current bearing for radial load (yes/no)	No	No	No
51.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
52.	Rotate the current bearing for axial load (yes/no)	No	No	No
53.	Rotate the current bearing for radial load (yes/no)	No	No	No
54.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
55.	Rotate the current bearing for axial load (yes/no)	No	No	No
56.	Rotate the current bearing for radial load (yes/no)	No	No	No
57.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
58.	Rotate the current bearing for axial load (yes/no)	No	No	No
59.	Rotate the current bearing for radial load (yes/no)	No	No	No
60.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
61.	Rotate the current bearing for axial load (yes/no)	No	No	No
62.	Rotate the current bearing for radial load (yes/no)	No	No	No
63.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
64.	Rotate the current bearing for axial load (yes/no)	No	No	No
65.	Rotate the current bearing for radial load (yes/no)	No	No	No
66.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
67.	Rotate the current bearing for axial load (yes/no)	No	No	No
68.	Rotate the current bearing for radial load (yes/no)	No	No	No
69.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
70.	Rotate the current bearing for axial load (yes/no)	No	No	No
71.	Rotate the current bearing for radial load (yes/no)	No	No	No
72.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
73.	Rotate the current bearing for axial load (yes/no)	No	No	No
74.	Rotate the current bearing for radial load (yes/no)	No	No	No
75.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
76.	Rotate the current bearing for axial load (yes/no)	No	No	No
77.	Rotate the current bearing for radial load (yes/no)	No	No	No
78.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
79.	Rotate the current bearing for axial load (yes/no)	No	No	No
80.	Rotate the current bearing for radial load (yes/no)	No	No	No
81.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
82.	Rotate the current bearing for axial load (yes/no)	No	No	No
83.	Rotate the current bearing for radial load (yes/no)	No	No	No
84.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
85.	Rotate the current bearing for axial load (yes/no)	No	No	No
86.	Rotate the current bearing for radial load (yes/no)	No	No	No
87.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
88.	Rotate the current bearing for axial load (yes/no)	No	No	No
89.	Rotate the current bearing for radial load (yes/no)	No	No	No
90.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
91.	Rotate the current bearing for axial load (yes/no)	No	No	No
92.	Rotate the current bearing for radial load (yes/no)	No	No	No
93.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
94.	Rotate the current bearing for axial load (yes/no)	No	No	No
95.	Rotate the current bearing for radial load (yes/no)	No	No	No
96.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
97.	Rotate the current bearing for axial load (yes/no)	No	No	No
98.	Rotate the current bearing for radial load (yes/no)	No	No	No
99.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
100.	Rotate the current bearing for axial load (yes/no)	No	No	No
101.	Rotate the current bearing for radial load (yes/no)	No	No	No
102.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
103.	Rotate the current bearing for axial load (yes/no)	No	No	No
104.	Rotate the current bearing for radial load (yes/no)	No	No	No
105.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
106.	Rotate the current bearing for axial load (yes/no)	No	No	No
107.	Rotate the current bearing for radial load (yes/no)	No	No	No
108.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
109.	Rotate the current bearing for axial load (yes/no)	No	No	No
110.	Rotate the current bearing for radial load (yes/no)	No	No	No
111.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
112.	Rotate the current bearing for axial load (yes/no)	No	No	No
113.	Rotate the current bearing for radial load (yes/no)	No	No	No
114.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
115.	Rotate the current bearing for axial load (yes/no)	No	No	No
116.	Rotate the current bearing for radial load (yes/no)	No	No	No
117.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
118.	Rotate the current bearing for axial load (yes/no)	No	No	No
119.	Rotate the current bearing for radial load (yes/no)	No	No	No
120.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
121.	Rotate the current bearing for axial load (yes/no)	No	No	No
122.	Rotate the current bearing for radial load (yes/no)	No	No	No
123.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
124.	Rotate the current bearing for axial load (yes/no)	No	No	No
125.	Rotate the current bearing for radial load (yes/no)	No	No	No
126.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
127.	Rotate the current bearing for axial load (yes/no)	No	No	No
128.	Rotate the current bearing for radial load (yes/no)	No	No	No
129.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
130.	Rotate the current bearing for axial load (yes/no)	No	No	No
131.	Rotate the current bearing for radial load (yes/no)	No	No	No
132.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
133.	Rotate the current bearing for axial load (yes/no)	No	No	No
134.	Rotate the current bearing for radial load (yes/no)	No	No	No
135.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
136.	Rotate the current bearing for axial load (yes/no)	No	No	No
137.	Rotate the current bearing for radial load (yes/no)	No	No	No
138.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
139.	Rotate the current bearing for axial load (yes/no)	No	No	No
140.	Rotate the current bearing for radial load (yes/no)	No	No	No
141.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
142.	Rotate the current bearing for axial load (yes/no)	No	No	No
143.	Rotate the current bearing for radial load (yes/no)	No	No	No
144.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
145.	Rotate the current bearing for axial load (yes/no)	No	No	No
146.	Rotate the current bearing for radial load (yes/no)	No	No	No
147.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
148.	Rotate the current bearing for axial load (yes/no)	No	No	No
149.	Rotate the current bearing for radial load (yes/no)	No	No	No
150.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
151.	Rotate the current bearing for axial load (yes/no)	No	No	No
152.	Rotate the current bearing for radial load (yes/no)	No	No	No
153.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
154.	Rotate the current bearing for axial load (yes/no)	No	No	No
155.	Rotate the current bearing for radial load (yes/no)	No	No	No
156.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
157.	Rotate the current bearing for axial load (yes/no)	No	No	No
158.	Rotate the current bearing for radial load (yes/no)	No	No	No
159.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
160.	Rotate the current bearing for axial load (yes/no)	No	No	No
161.	Rotate the current bearing for radial load (yes/no)	No	No	No
162.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
163.	Rotate the current bearing for axial load (yes/no)	No	No	No
164.	Rotate the current bearing for radial load (yes/no)	No	No	No
165.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
166.	Rotate the current bearing for axial load (yes/no)	No	No	No
167.	Rotate the current bearing for radial load (yes/no)	No	No	No
168.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
169.	Rotate the current bearing for axial load (yes/no)	No	No	No
170.	Rotate the current bearing for radial load (yes/no)	No	No	No
171.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
172.	Rotate the current bearing for axial load (yes/no)	No	No	No
173.	Rotate the current bearing for radial load (yes/no)	No	No	No
174.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
175.	Rotate the current bearing for axial load (yes/no)	No	No	No
176.	Rotate the current bearing for radial load (yes/no)	No	No	No
177.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
178.	Rotate the current bearing for axial load (yes/no)	No	No	No
179.	Rotate the current bearing for radial load (yes/no)	No	No	No
180.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
181.	Rotate the current bearing for axial load (yes/no)	No	No	No
182.	Rotate the current bearing for radial load (yes/no)	No	No	No
183.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
184.	Rotate the current bearing for axial load (yes/no)	No	No	No
185.	Rotate the current bearing for radial load (yes/no)	No	No	No
186.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
187.	Rotate the current bearing for axial load (yes/no)	No	No	No
188.	Rotate the current bearing for radial load (yes/no)	No	No	No
189.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
190.	Rotate the current bearing for axial load (yes/no)	No	No	No
191.	Rotate the current bearing for radial load (yes/no)	No	No	No
192.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
193.	Rotate the current bearing for axial load (yes/no)	No	No	No
194.	Rotate the current bearing for radial load (yes/no)	No	No	No
195.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
196.	Rotate the current bearing for axial load (yes/no)	No	No	No
197.	Rotate the current bearing for radial load (yes/no)	No	No	No
198.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
199.	Rotate the current bearing for axial load (yes/no)	No	No	No
200.	Rotate the current bearing for radial load (yes/no)	No	No	No
201.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
202.	Rotate the current bearing for axial load (yes/no)	No	No	No
203.	Rotate the current bearing for radial load (yes/no)	No	No	No
204.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
205.	Rotate the current bearing for axial load (yes/no)	No	No	No
206.	Rotate the current bearing for radial load (yes/no)	No	No	No
207.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
208.	Rotate the current bearing for axial load (yes/no)	No	No	No
209.	Rotate the current bearing for radial load (yes/no)	No	No	No
210.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
211.	Rotate the current bearing for axial load (yes/no)	No	No	No
212.	Rotate the current bearing for radial load (yes/no)	No	No	No
213.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
214.	Rotate the current bearing for axial load (yes/no)	No	No	No
215.	Rotate the current bearing for radial load (yes/no)	No	No	No
216.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
217.	Rotate the current bearing for axial load (yes/no)	No	No	No
218.	Rotate the current bearing for radial load (yes/no)	No	No	No
219.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
220.	Rotate the current bearing for axial load (yes/no)	No	No	No
221.	Rotate the current bearing for radial load (yes/no)	No	No	No
222.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
223.	Rotate the current bearing for axial load (yes/no)	No	No	No
224.	Rotate the current bearing for radial load (yes/no)	No	No	No
225.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
226.	Rotate the current bearing for axial load (yes/no)	No	No	No
227.	Rotate the current bearing for radial load (yes/no)	No	No	No
228.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
229.	Rotate the current bearing for axial load (yes/no)	No	No	No
230.	Rotate the current bearing for radial load (yes/no)	No	No	No
231.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
232.	Rotate the current bearing for axial load (yes/no)	No	No	No
233.	Rotate the current bearing for radial load (yes/no)	No	No	No
234.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
235.	Rotate the current bearing for axial load (yes/no)	No	No	No
236.	Rotate the current bearing for radial load (yes/no)	No	No	No
237.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
238.	Rotate the current bearing for axial load (yes/no)	No	No	No
239.	Rotate the current bearing for radial load (yes/no)	No	No	No
240.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
241.	Rotate the current bearing for axial load (yes/no)	No	No	No
242.	Rotate the current bearing for radial load (yes/no)	No	No	No
243.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
244.	Rotate the current bearing for axial load (yes/no)	No	No	No
245.	Rotate the current bearing for radial load (yes/no)	No	No	No
246.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
247.	Rotate the current bearing for axial load (yes/no)	No	No	No
248.	Rotate the current bearing for radial load (yes/no)	No	No	No
249.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
250.	Rotate the current bearing for axial load (yes/no)	No	No	No
251.	Rotate the current bearing for radial load (yes/no)	No	No	No
252.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
253.	Rotate the current bearing for axial load (yes/no)	No	No	No
254.	Rotate the current bearing for radial load (yes/no)	No	No	No
255.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
256.	Rotate the current bearing for axial load (yes/no)	No	No	No
257.	Rotate the current bearing for radial load (yes/no)	No	No	No
258.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
259.	Rotate the current bearing for axial load (yes/no)	No	No	No
260.	Rotate the current bearing for radial load (yes/no)	No	No	No
261.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
262.	Rotate the current bearing for axial load (yes/no)	No	No	No
263.	Rotate the current bearing for radial load (yes/no)	No	No	No
264.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
265.	Rotate the current bearing for axial load (yes/no)	No	No	No
266.	Rotate the current bearing for radial load (yes/no)	No	No	No
267.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
268.	Rotate the current bearing for axial load (yes/no)	No	No	No
269.	Rotate the current bearing for radial load (yes/no)	No	No	No
270.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
271.	Rotate the current bearing for axial load (yes/no)	No	No	No
272.	Rotate the current bearing for radial load (yes/no)	No	No	No
273.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
274.	Rotate the current bearing for axial load (yes/no)	No	No	No
275.	Rotate the current bearing for radial load (yes/no)	No	No	No
276.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
277.	Rotate the current bearing for axial load (yes/no)	No	No	No
278.	Rotate the current bearing for radial load (yes/no)	No	No	No
279.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
280.	Rotate the current bearing for axial load (yes/no)	No	No	No
281.	Rotate the current bearing for radial load (yes/no)	No	No	No
282.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
283.	Rotate the current bearing for axial load (yes/no)	No	No	No
284.	Rotate the current bearing for radial load (yes/no)	No	No	No
285.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
286.	Rotate the current bearing for axial load (yes/no)	No	No	No
287.	Rotate the current bearing for radial load (yes/no)	No	No	No
288.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
289.	Rotate the current bearing for axial load (yes/no)	No	No	No
290.	Rotate the current bearing for radial load (yes/no)	No	No	No
291.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
292.	Rotate the current bearing for axial load (yes/no)	No	No	No
293.	Rotate the current bearing for radial load (yes/no)	No	No	No
294.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
295.	Rotate the current bearing for axial load (yes/no)	No	No	No
296.	Rotate the current bearing for radial load (yes/no)	No	No	No
297.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
298.	Rotate the current bearing for axial load (yes/no)	No	No	No
299.	Rotate the current bearing for radial load (yes/no)	No	No	No
300.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
301.	Rotate the current bearing for axial load (yes/no)	No	No	No
302.	Rotate the current bearing for radial load (yes/no)	No	No	No
303.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
304.	Rotate the current bearing for axial load (yes/no)	No	No	No
305.	Rotate the current bearing for radial load (yes/no)	No	No	No
306.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
307.	Rotate the current bearing for axial load (yes/no)	No	No	No
308.	Rotate the current bearing for radial load (yes/no)	No	No	No
309.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
310.	Rotate the current bearing for axial load (yes/no)	No	No	No
311.	Rotate the current bearing for radial load (yes/no)	No	No	No
312.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
313.	Rotate the current bearing for axial load (yes/no)	No	No	No
314.	Rotate the current bearing for radial load (yes/no)	No	No	No
315.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
316.	Rotate the current bearing for axial load (yes/no)	No	No	No
317.	Rotate the current bearing for radial load (yes/no)	No	No	No
318.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
319.	Rotate the current bearing for axial load (yes/no)	No	No	No
320.	Rotate the current bearing for radial load (yes/no)	No	No	No
321.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
322.	Rotate the current bearing for axial load (yes/no)	No	No	No
323.	Rotate the current bearing for radial load (yes/no)	No	No	No
324.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
325.	Rotate the current bearing for axial load (yes/no)	No	No	No
326.	Rotate the current bearing for radial load (yes/no)	No	No	No
327.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
328.	Rotate the current bearing for axial load (yes/no)	No	No	No
329.	Rotate the current bearing for radial load (yes/no)	No	No	No
330.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
331.	Rotate the current bearing for axial load (yes/no)	No	No	No
332.	Rotate the current bearing for radial load (yes/no)	No	No	No
333.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
334.	Rotate the current bearing for axial load (yes/no)	No	No	No
335.	Rotate the current bearing for radial load (yes/no)	No	No	No
336.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
337.	Rotate the current bearing for axial load (yes/no)	No	No	No
338.	Rotate the current bearing for radial load (yes/no)	No	No	No
339.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
340.	Rotate the current bearing for axial load (yes/no)	No	No	No
341.	Rotate the current bearing for radial load (yes/no)	No	No	No
342.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
343.	Rotate the current bearing for axial load (yes/no)	No	No	No
344.	Rotate the current bearing for radial load (yes/no)	No	No	No
345.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
346.	Rotate the current bearing for axial load (yes/no)	No	No	No
347.	Rotate the current bearing for radial load (yes/no)	No	No	No
348.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
349.	Rotate the current bearing for axial load (yes/no)	No	No	No
350.	Rotate the current bearing for radial load (yes/no)	No	No	No
351.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
352.	Rotate the current bearing for axial load (yes/no)	No	No	No
353.	Rotate the current bearing for radial load (yes/no)	No	No	No
354.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
355.	Rotate the current bearing for axial load (yes/no)	No	No	No
356.	Rotate the current bearing for radial load (yes/no)	No	No	No
357.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
358.	Rotate the current bearing for axial load (yes/no)	No	No	No
359.	Rotate the current bearing for radial load (yes/no)	No	No	No
360.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
361.	Rotate the current bearing for axial load (yes/no)	No	No	No
362.	Rotate the current bearing for radial load (yes/no)	No	No	No
363.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
364.	Rotate the current bearing for axial load (yes/no)	No	No	No
365.	Rotate the current bearing for radial load (yes/no)	No	No	No
366.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
367.	Rotate the current bearing for axial load (yes/no)	No	No	No
368.	Rotate the current bearing for radial load (yes/no)	No	No	No
369.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
370.	Rotate the current bearing for axial load (yes/no)	No	No	No
371.	Rotate the current bearing for radial load (yes/no)	No	No	No
372.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
373.	Rotate the current bearing for axial load (yes/no)	No	No	No
374.	Rotate the current bearing for radial load (yes/no)	No	No	No
375.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
376.	Rotate the current bearing for axial load (yes/no)	No	No	No
377.	Rotate the current bearing for radial load (yes/no)	No	No	No
378.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
379.	Rotate the current bearing for axial load (yes/no)	No	No	No
380.	Rotate the current bearing for radial load (yes/no)	No	No	No
381.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
382.	Rotate the current bearing for axial load (yes/no)	No	No	No
383.	Rotate the current bearing for radial load (yes/no)	No	No	No
384.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
385.	Rotate the current bearing for axial load (yes/no)	No	No	No
386.	Rotate the current bearing for radial load (yes/no)	No	No	No
387.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
388.	Rotate the current bearing for axial load (yes/no)	No	No	No
389.	Rotate the current bearing for radial load (yes/no)	No	No	No
390.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
391.	Rotate the current bearing for axial load (yes/no)	No	No	No
392.	Rotate the current bearing for radial load (yes/no)	No	No	No
393.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
394.	Rotate the current bearing for axial load (yes/no)	No	No	No
395.	Rotate the current bearing for radial load (yes/no)	No	No	No
396.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
397.	Rotate the current bearing for axial load (yes/no)	No	No	No
398.	Rotate the current bearing for radial load (yes/no)	No	No	No
399.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
400.	Rotate the current bearing for axial load (yes/no)	No	No	No
401.	Rotate the current bearing for radial load (yes/no)	No	No	No
402.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
403.	Rotate the current bearing for axial load (yes/no)	No	No	No
404.	Rotate the current bearing for radial load (yes/no)	No	No	No
405.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
406.	Rotate the current bearing for axial load (yes/no)	No	No	No
407.	Rotate the current bearing for radial load (yes/no)	No	No	No
408.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
409.	Rotate the current bearing for axial load (yes/no)	No	No	No
410.	Rotate the current bearing for radial load (yes/no)	No	No	No
411.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
412.	Rotate the current bearing for axial load (yes/no)	No	No	No
413.	Rotate the current bearing for radial load (yes/no)	No	No	No
414.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
415.	Rotate the current bearing for axial load (yes/no)	No	No	No
416.	Rotate the current bearing for radial load (yes/no)	No	No	No
417.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
418.	Rotate the current bearing for axial load (yes/no)	No	No	No
419.	Rotate the current bearing for radial load (yes/no)	No	No	No
420.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
421.	Rotate the current bearing for axial load (yes/no)	No	No	No
422.	Rotate the current bearing for radial load (yes/no)	No	No	No
423.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
424.	Rotate the current bearing for axial load (yes/no)	No	No	No
425.	Rotate the current bearing for radial load (yes/no)	No	No	No
426.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
427.	Rotate the current bearing for axial load (yes/no)	No	No	No
428.	Rotate the current bearing for radial load (yes/no)	No	No	No
429.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
430.	Rotate the current bearing for axial load (yes/no)	No	No	No
431.	Rotate the current bearing for radial load (yes/no)	No	No	No
432.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
433.	Rotate the current bearing for axial load (yes/no)	No	No	No
434.	Rotate the current bearing for radial load (yes/no)	No	No	No
435.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
436.	Rotate the current bearing for axial load (yes/no)	No	No	No
437.	Rotate the current bearing for radial load (yes/no)	No	No	No
438.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
439.	Rotate the current bearing for axial load (yes/no)	No	No	No
440.	Rotate the current bearing for radial load (yes/no)	No	No	No
441.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
442.	Rotate the current bearing for axial load (yes/no)	No	No	No
443.	Rotate the current bearing for radial load (yes/no)	No	No	No
444.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
445.	Rotate the current bearing for axial load (yes/no)	No	No	No
446.	Rotate the current bearing for radial load (yes/no)	No	No	No
447.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
448.	Rotate the current bearing for axial load (yes/no)	No	No	No
449.	Rotate the current bearing for radial load (yes/no)	No	No	No
450.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
451.	Rotate the current bearing for axial load (yes/no)	No	No	No
452.	Rotate the current bearing for radial load (yes/no)	No	No	No
453.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
454.	Rotate the current bearing for axial load (yes/no)	No	No	No
455.	Rotate the current bearing for radial load (yes/no)	No	No	No
456.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
457.	Rotate the current bearing for axial load (yes/no)	No	No	No
458.	Rotate the current bearing for radial load (yes/no)	No	No	No
459.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
460.	Rotate the current bearing for axial load (yes/no)	No	No	No
461.	Rotate the current bearing for radial load (yes/no)	No	No	No
462.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
463.	Rotate the current bearing for axial load (yes/no)	No	No	No
464.	Rotate the current bearing for radial load (yes/no)	No	No	No
465.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
466.	Rotate the current bearing for axial load (yes/no)	No	No	No
467.	Rotate the current bearing for radial load (yes/no)	No	No	No
468.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
469.	Rotate the current bearing for axial load (yes/no)	No	No	No
470.	Rotate the current bearing for radial load (yes/no)	No	No	No
471.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
472.	Rotate the current bearing for axial load (yes/no)	No	No	No
473.	Rotate the current bearing for radial load (yes/no)	No	No	No
474.	Rotate the current bearing for axial and radial load (yes/no)	No	No	No
475.	Rotate the current bearing for axial load (yes/no)	No	No	No
476.	Rotate the current bearing for radial load (yes/no)	No	No	No
477.	Rotate the current bearing for axial and radial load
